Remarks

This is it – looking for a fantastic pool home – you just found it. Your friends and family will be so excited when they see this 3BR/2BA 2 car garage. Lovingly maintained with a new roof in 2015 (still a few stains on ceilings), combination living/dining room area with slider that goes to pool huge undercover area with wood ceiling, overlooks the paver pool deck, new pool screening & wooded view behind. Angled kitchen with stainless appliances overlooks the family room. Primary bedroom offers a walk-in closet plus a built in custom closet. Primary bath acts as pool bath. 2 car garage houses washer & dryer. Bring your creativity to make this sparkle. Great location just east of I-75 is close to shopping, banking, restaurants and 15 minutes to Siesta beach. Great schools too.
